WORK EXPERIENCES

Special Dental Care, San Gabriel, CA

December 2018 – August 2018

Dental Front Office/Dental Assistant

- Office management tasks: familiarized myself with Patterson Eaglesoft software, scheduled and confirmed patient appointments, walked out patients, and prepared dental claims for insurances
- Took x-rays for patients, sterilized dental instruments, poured models and took impressions, and maintained adequate supply levels
- Utilized four-handed dentistry when assisting the dentist in SRP, crown prep and deliveries, extractions, root canals, and fillings

Americorps, Bozeman, MT

July 2018 – November 2018

VISTA at Sprout Oral Health

- Traveling with Sealants For Smiles! throughout the state of Montana to set up events and assist providers in providing limited preventative care to qualified low-income schools
- Developing partnerships with community dental providers and school nurses to provide preventative dental care to kids in Sealants For Smiles!, Tiny Smiles, and School Nurse Fluoride Varnish Program
- Developing programmatic toolkits and communication plans for Tiny Smiles and School Nurse Fluoride Varnish Program

VOLUNTEER EXPERIENCES

Skyline Dental, Walnut, CA

May 2015 – August 2015

Dental Assistant

- Sterilized dental instruments, set up and break down supplies for each dental procedure, maintain adequate supply levels
- Assisted the dentist in several treatment procedures (treatment planning, cleanings, crown deliveries, extractions, root canals, fillings, impressions)
- Educated patients in the appropriate hygiene strategy to maintain oral health

Honduras Medical Mission Trip with C.A.R.E (Central America Relief Effort), Honduras

March 2014

- Rotated assistance in different clinics (blood pressure, doctor, pharmacy, optometry, dental) in four villages
- Shadowed Honduran optometrists and handed out prescribed medicine and glasses to the Honduran patients
- Assisted Honduran dentists in teeth extractions

Lancaster Cleft Palate Clinic, Lancaster, PA

March 2013

- Responsible for researching information regarding legislators and recording data in spreadsheets
- Helped stuff letters for mailings to persuade families to write to their legislators

EXTRACURRICULAR ACTIVITIES

DipDental Society Club, Franklin & Marshall College, Lancaster, PA

November 2012 – May 2016

Secretary, Website Editor

- Promoted our informational club that exposes opportunities (shadowing, dental school visits, provider talks) for interested students by creating fliers at the college center
- Held booths at school events to educate our peers on the importance of maintaining

Asian Culture Society Club, Franklin & Marshall College, Lancaster, PA

September 2012 – December 2015

Secretary, Public Relations Chair, Vice President

- Sent out emails to inform members of our weekly meetings and other events
- Created posters and fliers to promote club events on Facebook and campus bulletins
- Worked in a team-based setting to plan and organize cultural diversity events that would encourage others to share their cultural values
